

2011 OMS Work Group Schedule

Scheduling in-person meetings of Work Group chairs has become increasingly difficult, and probably less necessary as other in-person meeting opportunities have become regular events. For 2011 I propose a regular call-in schedule for Work Group chair calls of the first Friday of each month. In-person meetings can still be scheduled as needed.

The first Friday will usually follow several MISO Work Group meetings that occur during the first week of the month. Meeting right after those meetings will allow prompt reporting and may facilitate updates status reports for the OMS Board meeting that occur the week after.

The first Friday calls would be at 9:30 CT on these dates:
